Adoption Fee Schedule

Please find below the current adoption fees for HavaHeart dogs. Some things to note:

- HavaHeart Rescue is a registered 501(c)3 charity. We are funded solely by private donations and staffed only by volunteers so that 100% of money raised is spent on the pups we serve.
- All HavaHeart adoptable dogs are up to date on vaccinations, parasite free, have been spayed / neutered, and microchipped.
- If a dog's age is unknown when they come into care, we use an estimate of age provided by a veterinarian. Determination of age for the purposes of the adoption fee is at the sole discretion of HavaHeart Rescue.
- Determination of the final adoption fee is at the sole discretion of HavaHeart Rescue.
